Re: Alfred Morin
Chairman. Pack 3064

Dear Mr. Savino:

Thank you for your response to our identification questionnaire concerning Alfred Morin. From the information you provided it is certain that your Mr. Morin is the same individual as one on whom we have information. We therefore regret to inform you that we cannot accept Mr. Morin's application.

When informing Mr. Morin about this, simply tell him that the National Council Does not wish to accept his registration in the Boy Scouts of America. If Mr. Morin should raise any questions as to reason, you might indicate to him that registration in the Boy Scouts of America is a privilege and not a right and that the National Council reserves the prerogative to accept those individuals it feels will best serve the interests of the organization.

Please submit another application with fee for the replacement of Mr. Morin as Chairman. Please be sure to attach the enclosed referral slip with the new application so that it comes directly to our attention and we can release this unit without further delay.

Sincerely,

Paul I. Ernst, Supervisor

Chief of Police Michael J. Boyle

Lieut. Walter V. Roche, Commanding Headquarters Division

Alfred Morin, 14 Sycamore St. Worcester, Mass.

This subject was arrested by members of this division on January 7, 1961. He was charged with two counts of Unnatural Acts and three counts of Contributing to the Delinquency of a Minor.

On January 9, 1961, he was convicted in Worcester Central District Court of the above crimes, and was given six months concurrent sentence on each complaint, suspended to one years probation with the provision that he be treated by Dr. Mason, the court psychiatrist. Judge Riley presided.

It is my opinion that Alfred Morin should have no connection whatsoever with the Scouting movement.

Re: Alfred Morin

Dear Bob:

Thank you for the information concerning Alfred Morin, and especially for the statement from the Chief of Police. This is always helpful in case he attempts to register in future years.

I hate to ask for spelling out, but it does make a difference the way we classify the case, whether the minor was male or female. Will you please indicate on the enclosed confidential record sheet. We need the confidential record sheet for a description.

Sincerely yours,
